Our Story

Formed in 2018 as a Joint Venture between the UAE's [Middle East General Enterprises](#) and the UK's [QinetiQ Ltd.](#)

We are a strong statement of bilateral collaboration and the only UAE-UK joint venture in the UAE's defence sector.

We are a company dedicated to harnessing technology and advancing the vital national interests of the United Arab Emirates.

Training, Test & Evaluation

Through our parent company, QinetiQ, We bring together a rare combination of skills, products, assets and facilities to provide customers with realistic **live and synthetic environments** in which to evaluate their capabilities.

- Range development and operation,
- Trials design, delivery and safety
- Data evaluation and interpretation
- Knowledge transfer - “T&E Skills Programme”

We bring **unparalleled understanding and expertise** to the generation and assurance of defence capability.

QinetiQ are trusted advisors to UK MOD and other NATO nations to retain the edge over adversaries and operate as required when it really matters.

Products

Borne from decades of R&D by QinetiQ's dynamic teams of engineers, technologists and scientists - We deliver creative, flexible and proven solutions to **protect sovereign interests** and **save lives**.
